Hi Evelyn,

When you get a chance, can you review the attached document? I'm hoping to send to MDE and DOEE today if at all possible (just so they have enough time to review and discuss before a mid-December call). Thank you!!

P.S. Also extremely embarrassed that I used access instead of assess multiple times -_- I am very glad you caught that!

Thank you!

Subject: Anacostia Trash TMDL Endpoint Options

Hello,

I've drafted a brief document describing possible trash TMDL endpoint options. I'd like to send this to DOEE and MDE, along with the data received from the data call, and then schedule a call to discuss. Please feel free to edit as you see fit and/or share your thoughts.

Thank you,

Jillian Adair
